**Have You Remembered Redeemer In Your Will?**

**DID YOU KNOW THAT ...**

(by Arlene Cherwien)

In 1965 was another milestone in the life of Redeemer. We had the groundbreaking for our current church with us having our first service in the new building in August 1966. Choir practice was in the Narthex until all was ready.

Pastor Bauman and his family moved into a different parsonage located on Highland Avenue, near the church. The Educational Building would be completed later keeping Sunday School in the Manor House or wherever there was room. RLC and the architect an outstanding liturgical architecture award for the church's "quiet dignity." In 1968, Lay Deacons became part of our service and the liturgy was chanted by members. The Green Book of Worship was introduced. Our Chapel Choir disbanded leaving an adult and youth choir. New red choir robes were purchased.

Benchmark Human Services will be our new tenant occupying the "school" space. Benchmark's mission is to help people live as independently as possible, be included in the community and function at their maximum potential.

You may see a lot of activity once again during the day. Please be careful when entering and exiting the church property.

Also, if you are in need of the fellowship hall, please schedule a time with the church office first as Benchmark will be occupying the space during the day.

Interested in sharing your thoughts about our Summer Concert Series? Now is your chance - join us on September 16th at 7:00 PM in the Manor House for a time of sharing and planning. Everyone is welcome!

**A MESSAGE FROM PASTOR HEATHER**

*So if anyone is in Christ, there is a new creation: everything old has passed away; see, everything has become new! -2 Corinthians 5:17*

Traditionally, September is about returning to routine. Children pick out school supplies and go back to the classroom; families return from vacations and resume ever-busier activity schedules. At church, September means Rally Day, Sunday School, and traditional worship times and fellowship activities.

And then a pandemic happened and the idea of "routine" became a sort of illusion....

Still, I assumed *this* September would be a return to a normal routine for us. I dreamed of schools back to full days, worship and Sunday School active and full. I imagined a "reunion" of sorts for all the people engaged in all the activities we have missed in the last year and a half. Now that fall is around the corner, however, its routine has become much more uncertain.

In a recent reading of 2 Corinthians, I was struck by the verse quoted above. "New creation" is typically an Easter theme. And yet it has unexpectedly arrived in my fall plans – just when I needed to hear it the most.

Just as the risen Christ emerges from an empty tomb, so, too, new life springs up when we had lost hope. Our Christian faith is not built on returning to what was, or how things used to be. Even our old model of how church is supposed to work needs to be set aside, at least for today. 2 Corinthians tells us that when we are united in Christ, new creation emerges- even new life that surprises us.

There is new creation happening now at Redeemer! I am very excited to announce the hiring of Sarah Layton to work with our youth. With input from families, we will be developing a youth program that can navigate the up's and down's of health restrictions and strengthen faith-filled relationships with our youth. Sarah has a passion for Jesus that is infectious, and I invite you to join us in bringing vitality to our youth activities and faith formation here at Redeemer.

Despite the need to be cautious, despite all the unknowns of this time, despite our own fear, we are proclaiming to the world that in Christ, there is a new creation!

In Christ,  
Pastor Heather

### Book Review by Joan Freimanis

"Rachel Held Evans didn't want to go to church anymore. The hypocrisy, the politics, the gargantuan building budgets, the scandals – church culture seemed so far removed from Jesus." Travel with her on her journey to understand church and her place in it.

In Rachel's own words "It seemed fitting to arrange the book around the sacraments because it was the sacraments that drew me back to church after I'd given up on it".

Dear Friends,

Thank you for the very generous contribution from the giving plate to the Music Classroom at Petway Elementary School. We purchased five floor tom drums with mallets for the children to use. The addition to our classroom will certainly engage the students in a unique musical experience as we learn about steady beat, rhythms, and composition.

The generosity of others has enabled my classroom to be filled with amazing resources for the children of Vineland to learn about music while actively participating in the classroom, on stage and in the community. I hope to continue to inspire future musicians with this new purchase!

Thank you!  
Sincerely,  
Jeanne Andrews
